Cahill, ss.  
Stadtfeld, 2b.

The umpires started the season as follows:

## The Vincennes Series.

The Moguls closed a series of three games with Vincennes yesterday on the home grounds. The game Monday was a pitcher's game, starting with three or four scores against Hopkinsville in the first two innings. Yon and Huhn and Higgins and Agnew were the batteries. After three innings Yon's pitching and batting saved the game. The score was 4 to 3.

Tuesday with Johnson in the box for Hopkinsville and Eisler for Vincennes the Moguls had another easy victory: The first five innings were closely contested and there were no scores, then everybody landed on Eisler and there were 14 hits and 7 scores when the smoke cleared away, Vincennes being shut out.

The third game of the series was played yesterday with another ideal day for ball.

## Monday's Results.

Hopkinsville 4, Vincennes 3.  
Fulton 6, McLeansboro 5.  
Harrisburg 11, Cairo 8.  
Clarksville-Paducah, Rain.

## KITTY MEWS

Huhn grows in favor daily with the fans.

Ollie Gfroerer, captain last year, has been released by McLeansboro.

Cy Lambert, who was with Clarksville last year, has arrived from Springfield, Ohio, and donned a Mogul uniform.

One of the early games reported Hopkinsville's battery as "Ling, Yon and Hun" Ling is gone but Yon and Huhn are still called the "Chinese battery."

The Mogul team is especially weak in base running. Several of the best men need to be given instructions how to use their heads as well as their feet in stealing bases. Many scores have already been lost by bone-headed base running.

Yon settled down after the third inning Monday and pitched the greatest game of his career, striking out 14 men and making two hits himself, a single and a two-bagger. Of the last 15 men up, he struck out 12 and walked one on a signal. He snatched victory from defeat by his own star playing.

Hopkinsville led all the Kitty towns in receipts on opening day. The receipts were as follows:  
Hopkinsville 304 75

|             |        |
|-------------|--------|
| Clarksville | 294.35 |
| Cairo       | 294.00 |
| Paducah     | 282.45 |
| Fulton      | 150.55 |
| Harrisburg  | 147.35 |
| Vincennes   | 107.00 |
| McLeansboro | 83.35  |

\$1,663.80

Hopkinsville and Clarksville got each one-eighth of this, \$197.97, losing each \$101.58 by the pooling arrangement.

## COBB TAKEN AWAY

Rumors of Mob Cause Him to be Taken to Bowling Green.

Acting on information that came to the sheriff local authorities Monday night spirited Herbert Cobb, the young man who so wantonly killed his sweetheart, Miss Ella Cravens, Saturday night, to Bowling Green to prevent possible mob violence being offered him. Since the arrest feeling against Cobb has been general, but no indications of mob spirit had been apparent. Monday night a man, whose name is withheld, called Sheriff Johnson to his gate and told him that he had heard and seen enough to convince him that plans to mob Cobb either Monday night or Tuesday night were being made and advised that Cobb be removed without delay in order to prevent trouble. The man made no effort to hide his identity, and Sheriff Johnson says he is in every way reliable and not given to raising false alarms. The sheriff at once reported to Judge Knight and the order for Cobb's removal was made forthwith and Sheriff Johnson and Deputy Smith left at midnight with the prisoner and delivered him to the jailer at Bowling Green soon after daybreak.

## BUCHERY OF 206 CHINAMEN

Rebels and Rioters Slew Wantonly in Torreon City.

Mexico City, Mex., May 23.—Official reports reaching here by means of couriers traveling the devious trails of the plains and mountains before arriving at a telegraph station, tell the story of a massacre of 206 Chinese at Torreon following the rebel occupation of that city last week. Upon receipt of the news at the Chinese legation the charge d'Affaires immediately made formal representations to the Mexican government.

The details of the story of the three days' battle and sacking of the city of Torreon is replete with incidents of cruelty that show clearly that the rebel leaders did not hold their men in control, but that they deliberately turned them loose to prey upon a conquered and defenseless people. The official advices do not give the number of dead, but taking the 206 Chinese as a basis, it is certain that the number is larger.
